Sir,

Subject:- Appointment of the Staff in connection with the Municipal Elections.

I write to state that the election of members to the - Mysore City Municipal Council to be reconstituted with effect from 1-4-1953 will be held on the 24th March 1953 as per calender - of events drawn up. The elections are to be held under adult - franchise basis and adoption of single member constituency. The regular work in this behalf had to practically commence in right earnest from 1st January 1953 commencing from the publication of the notifications of the divisions into which the City is now divided and printing of the Election Rolls, selection of centres booths etc., In order to get through the work it has been found that the existing Revenue staff could be ill spared without - prejudice to ~~xxix~~ their normal work as the work relating to Revision of assessment, collection of assessed taxes etc., is heavy. The Council have therefore approved the proposal placed before them for the following appointments and arrangements to be made for a period of three months from 1-1-1953.

1. One Senior clerk on Rs. 60/- Plus 20/- D A P M.
2. Two junior clerks on Rs. 40/- " D A 20/- P M.
3. One Typist on Rs. 45/- Plus D A 20/- P.M if the services of the whole time official is necessary
4. Eight literate attenders on Rs. 20/- Plus D A. 12/- P.M. each

P T O.

5. Allowance to the Superintendent of the Municipal Office and Council clerk at Rs. 15/- each P.M.

6. Allowance to the three Typists working in the office at Rs. 10/- P.M. each.

7. Allowance for stencilling work to the Council Attender Rs. 5/- P.M..

The total cost in this behalf comes to Rs. 1658/- for three months and the entire amount may not be utilised as the appointment of a typist and the Senior clerk will be made if found necessary and they have not yet been appointed.

Appointments of an Election clerk and Typist and 8 literate attenders were made during the General Elections and it was with the help of such staff that the Election work was got through satisfactorily. As the work in respect of the present Municipal Elections is much more, additional staff of a senior clerk and allowance to the existing officials who have to work over time from morning till late in the night was found necessary and approved by the Council.

In these circumstances I request you kindly to obtain orders of Government for approval of the proposal ~~approved~~. A copy of the office note as also the resolution of the Council approving the same is enclosed herewith for information. As the officials appointed ~~fr~~ have to work overtime they would be greatly inconvenienced if their pay is not disbursed. Action has been taken to disburse the same pending sanction of Government. I request that the action taken in this behalf may be ratified. The cost on this account will be met out of the Lumpsum provision made in the Budget estimates of the Municipality for the current year under Elections.

Yours faithfully,

(F M.Abdul Rahim).
Municipal Commissioner

OFFICE NOTE.

References:- Municipal Election to be held under Adult Franchise - Establishment required for attending to the work connected - therewith.

Submitted.

The work connected with the ensuing Municipal Election to be held in the III week of March 1953 (under ~~and~~ Adult Franchise, requires additional staff both for office and out door work. The work connected with the Election from beginning to end, is in no way an easy task. There is no sufficient time to attend to each kind of work, so that it may be done along with the normal work entrusted to the officials of the Head Office and Revenue Office as was done for some time in connection with the General Election. The work at every stage has to be attended to promptly as any slight delay in any respect may upset the entire programme of Election work. In order to ~~xxxxxxx~~ cope up with the work and to avoid complaints from the public, in this behalf, it is absolutely necessary to maintain an additional establishment for a period of three months from 1st January 1953.

For the work connected with the General Election an additional establishment consisting of 1 clerk on Rs. 40/- plus 20/- and Typist on Rs. 45/- plus 20/-, in addition to 8 literate attenders on Rs. 20/- Plus 12/- each for a period of ~~xxx~~ months, The clerk worked for nearly 1½ years up with the heavy work. worked for more than 3 months. ~~xxxxxx

the Council on 30-12-52 as an additional and urgent subject.

For kind orders to sanction the proposal and to appoint from 1-1-1953 1) Sri A.
